

DentalCare Pro - Dentist & Clinical Staff Guide

Odontogram Charting, Periodontal Exams, Treatment Plans & Rx

1. Operatory Chair Station View

- When logged in as a Dentist, your interface automatically focuses on the current chair's active patient.
- High-visibility alert badges display patient medical conditions (e.g. Heart Murmur, Anticoagulant Therapy, Latex Allergy).
- Medical histories and previous radiographic images can be reviewed side-by-side with the active dental chart.

2. Interactive Dental Odontogram (Adult & Pediatric)

- **Dual Arch System:** Switch between 32 adult permanent teeth and 20 primary pediatric deciduous teeth.
- **5-Surface Caries Mapping:** Click specific tooth surfaces (Mesial, Distal, Occlusal, Buccal/Facial, Lingual) to flag decay.
- **Color-Coded Status:**
 - **Red:** Active Caries / Cavity Requiring Restoration
 - **Blue:** Existing Sound Restoration (Amalgam / Composite Resin)
 - **Gold/Amber:** Prosthetic Crown / Fixed Partial Denture
 - **Purple:** Endodontic Obturation / Root Canal Treated
 - **Gray 'X':** Extracted / Missing / Unerupted Tooth

3. Periodontal Examination Charting

- Record 6-point probing depths per tooth (Distobuccal, Midbuccal, Mesiobuccal, Distolingual, Midlingual, Mesiolingual).
- Depths exceeding 4mm are flagged in red. Toggle Bleeding on Probing (BOP) and Furcation involvement.
- Generates historical comparison graphs to demonstrate periodontal healing to patients.

4. Treatment Planning & Estimates

- Group procedures into Phased Plans (Phase 1: Emergency & Pain Relief; Phase 2: Restorative; Phase 3: Prosthetics).
- Prints professional Treatment Plan Estimates with estimated insurance coverage for patient consent prior to starting work.

5. Digital Prescriptions & Medical Certificates

- Select pre-configured dental medications (Amoxicillin 500mg, Clindamycin 300mg, Ibuprofen 400mg, Chlorhexidine 0.12%).
- Sign prescriptions digitally using mouse, touchscreen, or cryptographically stored signature.
- Generates printable A4 prescriptions and official School/Work Dental Absence Slips with verification QR codes.
